**DESCRIPTION OF USE:**

The Miami-Dade Police Department (MDPD) Aviation Unit (AU), Honeywell Micro Air Vehicle (MAV) program is being developed to support police tactical teams in urban Miami-Dade County (MDC) areas. The Federal Aviation Administration (FAA)/MDPD study to determine the feasibility of the intended use is progressing to phase three. This phase of the program will entail the use of the MAV in actual operational locations and conditions. This would allow use of the MAV outside of previously issued COAs.
